Exodus 3 - 13

I will make you  
my own people  
and I will be  
your God.

Joseph's family grew so large that the Egyptians didn't like them and made them work as slaves. The new Pharaoh didn't remember what Jacob had done. God sent Moses to rescue his people. Pharaoh's heart was hard and he wouldn't let the Israelites leave Egypt. So God sent plagues to convince Pharaoh to let his people go.
