

# Moses and the Red Sea

The Lord has  
done great  
things for us.  
Psalm 126v3

Exodus 14-15

HELP THE CHILDREN OF ISRAEL CROSS THE RED SEA

COLOUR IN THE CORRECT SQUARES:

- Who led them across the Red Sea?
- Where had they been living as slaves?
- What had they been forced to make?
- What did they eat at the Passover meal?
- What did Moses' rod turn into?

God led the people out of Egypt but as they approached the Red Sea, Pharaoh's army started to catch up to them as Pharaoh had changed his mind and wanted to bring them back. There didn't seem to be a way out with the Egyptians behind and the Red Sea in front! But God was in control, he held the sea back with a strong wind and the people were able to walk across the sea on dry land!
